The Chilliwack Museum and Archives is seeking creative pieces to display in our community art show from October 27, 2022 to January 21, 2023.

There is no specification on what can be submitted and no age requirement! We want to see and show what you have created! All members of the Chilliwack Community are welcome to submit their pieces. Work must be submitted to the Chilliwack Museum by September 17, 2022 at 4:00pm.

The exhibition will open on October 27, 2022, in support of Culture Days. Culture Days is a national celebration of arts, culture, and heritage. This year's theme is based on a *re-emergence* of arts and culture, as the world navigates to past norms and designs new solutions for everyday life. As we reimagine and re-emerge, Culture Days is an opportunity to champion a life enriched by arts, culture and creativity.

If you would like to showcase a piece in the upcoming exhibition, please complete a submission form which is available at the Chilliwack Museum and Archives, and online at chilliwackmuseum.ca.

Submissions are limited to three artworks per artist, however, the number of pieces displayed will be dependent on total submissions and display space.

Submissions may be of any medium including, but not limited to: collage, print-making, sculpture, textiles, ceramics, painting, drawing, photography, etc. Wall mounted submissions must be submitted in a frame with a hanging mechanism. Submissions should be limited to 60 cm x 60cm. Oversized submissions will be considered on a case by case basis, and are dependent on available space.

All submissions must be labeled legibly with the full name of the artist. The Chilliwack Museum and Archives reserves the right to refuse pieces based on size, medium, and content. Pieces that are not chosen for display must be picked up immediately.

The Chilliwack Museum and Archives is not responsible for storing packing materials and storage containers. These materials must be picked up prior to the exhibition opening on October 17, 2022. Any materials left at the museum following this date will be disposed of.
